

Striking Back at Strokes: A Baptist DeSoto Event

Stroke is the third leading cause of death in America and the number one cause of adult disability. Did you know up to 80% of strokes are preventable?

Join Baptist DeSoto for an important symposium on stroke prevention, treatment, and rehabilitation. Experts will speak on a range of topics from both the survivor's and the caregiver's perspective. Free blood pressure screenings for those who attend.

Stroke Symposium: Surviving and Thriving
Saturday, May 2, 2009 • 8 am - 12 pm
Baptist Memorial Hospital-DeSoto
DeSoto Rooms A, B, C

Symposium is FREE but reservations must be made due to limited seating. To register or for more information, please call 662-772-2150 between the hours of 8:30 am - 4 pm.

Heart-healthy breakfast and snack items will be served.
