

## **BAPTIST CORPORATE COMPLIANCE**

The Baptist Memorial Health Care Corporation Corporate Compliance Department serves the Baptist entities by promoting legal and regulatory compliance with a focus on reimbursement and business relationships. The Department serves as a resource to others in the organization and works in conjunction with many other departments of the corporation to achieve compliance with laws and regulations which affect Baptist's operations.

### **Goals of Corporate Compliance**

- Promotion of good citizenship, legal and ethical behavior and good business judgment.
- Promotion of continuing adherence to applicable federal and state laws and regulations.
- Early detection of misconduct
- Prevention of wrongdoing

### **Department Staff**

- Corporate Compliance Officer:      Kim Danehower      901-227-5925
- Program Coordinator:                  Sarah Branch                  901-227-5922
- Operations Coordinator:              Astria Colbert              901-227-5920

### **BMHCC Helpline/Hotline *1-877-BMH-TIPS***

- A phone line to ask questions about regulatory compliance and to report suspected violations of the BMHCC Standards of Conduct or legal or regulatory requirements or acts of patient abuse.
- Calls may be made **anonymously**. Calls are handled **confidentially** to the extent allowed by law.
- BMHCC has a policy of not tolerating retaliation for reports made in good faith.

Concerns directed to the Helpline/Hotline may be handled by Corporate Compliance or may be referred to a department which can more appropriately address the concern.
